Heads: 2
Stateroom: 3
Berths: 6
Displacement: 13.5 T (light)

Hours on engines approx. 530h/680h **Hours on watermaker :** approx. 310h

Boat Highlights

Demo Boat lightly used – Shown at boatshows –

This Catana Ocean Class 50, 3 cabins/2 heads, owner's version provides a unique blend of performance, safety, and comfort from one of the best-known and most well-respected French catamaran builders.

A mid-position protected raised helm with all lines leading to, for extra safety, the ability to completely open or enclose the salon to the elements and daggerboards for the best upwind sailing gives a perfect ocean sailing boat for couples, in comfort and style, with or without guests.

High-performance, unique high-end catamaran, combining performance, safety, and comfort. Light and strong, thanks to the mastery of "CARBON INFUSION" technology. Her hulls and daggerboards have been the subject of hydrodynamic studies and put into context the pleasure of sailing at wind speed, in absolute comfort and total safety.
